Minutes:

CHAIRMAN DAVENPORT declared the Public Hearing open.

ANDY REED, Planning and Development Department, stated he could not support a waiver of the separation requirements and recommended denial.

JOHN BERRY, 4550 West Sahara Avenue, appeared on behalf of the applicant and explained that his client was simply seeking to provide a service that was needed in the area.

CHAIRMAN DAVENPORT informed MR. BERRY of the numerous financial institutions in the neighborhood and that the separation distance was measured by property lines and not the site of the actual business.

When MR. BERRY pointed out the close proximity of the other financial institutions, COMMISSIONER EVANS explained the distance separation requirements was created to prevent the proliferation of one type of business in one neighborhood.

When MR. BERRY attempted to argue that the business serves a particular ethnicity, ASSISTANT CITY ATTORNEY BRYAN SCOTT informed the Commissioners that race could not be considered as part of their decision and to do so would be highly inappropriate.

TODD FARLOW, 240 North 19th Street, noted the separation requirements were created for this type of application.

CHAIRMAN DAVENPORT declared the Public Hearing closed.
